SPECIAL QUESTIONS FOR HIGH SCHOOL STUDENTS

Q: What classes have you already taken? Which classes do you need for your diploma? For college? For your career?

A: You may want to chart this out. To find out your state's diploma requirements, you can do an Internet search for the name of your state or province plus "diploma requirement." Then go to your college web site and find out its requirements. Most colleges require four years each of Math, Science, History, and English. Many colleges are also looking for 200 volunteer hours. Grab free high school record keeping printables at https://letshomeschoolhighschool.com/templates-downloads/.

Check off your total years.

Subject	1 year	2 years	3 years	4 years
English				
History				
Math				
Science				

Q: What tests will you need to take? Be sure to plan ahead for the high school exit exam, the PSAT, and the SAT or ACT. Remember, you can take the SAT/ACT two to three times to get your highest score.:

☐ **PSAT Date:**_____ ☐ **ACT Date:** _____ ☐ **SAT Date:**_____

AP Exam Date:_____ **AP Exam Date:**_____ **AP Exam Date:**_____
