Fall Scavenger Hunt

Today, we're going on a fun Fall Scavenger Hunt around the house. You'll be searching for different items that remind us of the fall season. Work with a partner or by yourself to find as many things as you can from the boxes below. When you find something, check it off your sheet!

Safety tips:

Don't touch insects, mushrooms, or berries, stay with your partner.

*Find a **leaf** that has turned **red** due to fall.*	*Look for a **leaf** that has turned **yellow**.*	*Spot a **leaf** that's become **orange**.*	*Pick up a **leaf** that has turned **brown**.*	*A **leaf** showing **more than one fall color.***
*Look for an **acorn** on the ground or near trees.*	*A fallen **pinecone** from a tree.*	*Find a **small stick** or **twig** that has fallen to the ground.*	*Discover a **seed pod** from a tree (like those from a maple or sycamore).*	*Spot a **feather** that a bird may have dropped.*
*Look for a **mushroom** growing in moist, shaded areas.*	*Observe a **squirrel** in action, gathering nuts or running around.*	*Try to **spot birds flying in groups**, possibly migrating for the winter.*	*Step on a dry, **crunchy leaf**.*	*Touch or observe the **bark of a tree**.*
*Find a **berry or fruit** on a bush or tree (but don't pick or eat it!).*	*Look up and find a **cloud in the shape of an animal or object**.*	*Spot a **grasshopper, beetle, or another insect** before they hide for winter.*	*Stand in the **shade of a tree** and check it off.*	*Find a **spider web**, which is more visible in the fall due to dew.*
